ETCC QUARTERLY MEETING

COMMERCIAL BUILDINGS OF TOMORROW

Tuesday, February 17th | 9:30 AM – 3:00 PM

Webinar runs from 10:00 AM – 3:00 PM

Tours run from 3:00 PM – 4:00 PM

LOCATION: SCE Energy Education Center, Sustainability Room, 6090 N. Irwindale Ave | Irwindale and via Webinar

This ETCC meeting will convene experts from industry, research centers, utility and government entities working to advance energy efficiency in the commercial sector. Featured speakers will discuss future policy initiatives that will impact the commercial sector, similarities and contrasts between different utilities opportunities and challenges in the sector and how partnerships are accelerating the advancement and adoption of innovative technologies and programs. The afternoon session will take the audience “beyond the project report” for an interactive discussion with the key players in an ongoing Emerging Technology SCE project including the customer, contractor and upstream program implementer.

[OPTIONAL FOR IN-PERSON ATTENDEES] In person attendees will be able to wrap-up the day with a tour of the SCE Energy Education Center.
